Online Female & Bull Sale

October 30, 2018 at 7pm ^{EST}

View & Bid at cci.live

Dear Friends:

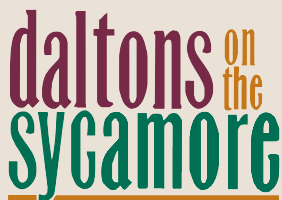

Welcome to our first online auction at Daltons on the Sycamore. The history of the Dalton family and its commitment to agriculture and the beef business goes back over many generations. Today our operation includes our well known Angus seed stock herd as well as a progressive commercial cow-calf program that extends all the way to the rail. We continually assess our vision as well as our execution and marketing strategies and this online auction, which we envision as a periodic event going forward, represents the latest evolution of our program.

Over the past few years we intentionally retained almost all of our females to build a long-term genetic base that stacks the best of the decisions we made in creating cattle designed with the potential to achieve the results we need to be successful. The accumulation of these females in recent years and advances in technology that allow us to use IVF to turn generations faster now enable us to start offering the top of our herd to the public.

Advances in technology also allow us to market smaller, more elite groups of females worthy of consideration in any herd nationally in a less expensive online sale setting. Using this approach, we are able to offer some of our top donors and youngest and best production age females, yet meanwhile it also permits us to retain the majority of our herd to spur future growth. The convenient nature of the online setting, with our 100% sight-unseen satisfaction guarantee and free shipping, enables you to consider adding high quality genetics as efficiently as possible. We view this strategy as a win-win wherein we are able to make available high quality females who are worthy of consideration as among the best in the industry.

We invite you to review the videos and performance data of these individuals online. If you would like to visit and view the animals prior to sale day please contact Dennis Eastin. The crew from Cotton & Associates has also seen the sale animals and can share their feedback. Please keep in mind that the animals sell with a 100% sight-unseen satisfaction guarantee and delivery for all live animals is free nationwide.

Yours truly,
Dennis Eastin
Tad Melton

Online Female & Bull Sale

October 30, 2018 at 7pm EST

HERD HEALTH:

Cattle will be accompanied with proper health certificates for immediate shipment. An updated breeding and calving report will be available sale day and announcements from the auction block will take precedence over all printed material.

PREGNANCY EXAMINATION INFO:

All cattle have been pregnancy checked by a competent veterinarian and are called safe to the AI or pasture date as can be best determined by advance palpation or ultrasound. In respect to AI dates, they are not unconditionally guaranteed other than the fact that they are pregnant.

TERMS AND CONDITIONS:

Cattle will sell under the suggested Terms and Conditions of the American Angus Association (http://www.angus.org/Pub/suggested_sale_terms.pdf). All announcements from the auction block take precedence over printed materials.

SALE MANAGED BY:

LARRY COTTON	517-294-0777
RYAN COTTON	706-206-8361
MIKE GOTHARD	540-894-1055
JERRY CRENSHAW	703-244-4767
ZACK HILEMAN	540-460-2776
SCOTT BENNETT	434-660-7268

www.cotton-associates.com

TRUCKING:

Trucking will be available sale day.
Lathrop Trucking • 847-910-4673
Henry Stockdale • 931-626-6080
Cattle will be picked up and or remain at the owners farm/ranch until trucking arrangements can be made or pickup arranged.

SALE SETTLEMENT:

All cattle are to be settled for prior to shipping out unless prior arrangement has been made with the manager/owner of the sale lot.
Terms are cash or check.

VIDEOS OF THE SALE OFFERING WILL BE AVAILABLE

- Rita 7252 is a sensational combination female who is the only non-parent female in the breed with her combination of calving-ease, growth, CW, Marb., RE and \$B.
- Rita 7252 blends the calving-ease feature of the Baldrige Brothers program, Xpand X743 with the \$100,000 new addition to the Wall Street Cattle Company donor arsenal, Daybreak 82.
- Rita 7252 records a weaning ratio of 120. The dam of Lots 1 through 2 posts a BR 3@90, a WR 3@102 and a YR 3@107 while showing ultrasound ratios IMF 19@104 and REA 19@108 with two daughters maintaining a combined WR 2@100.
- Maternal sister heifer pregnancies to Lots 1 through 2 include: Prophet R65, the \$35,000 purchase of Maplecrest and Hillhouse Angus in the 2018 April Gardiner Sale; the \$25,000 and \$23,000 selections of High Roller Angus in the 2018 Bases Loaded Sale; and the \$23,000 top-selling selection of Riverbend Ranch in the 2018 SE Elite Female Sale; and a \$20,000 private treaty selection of Riverbend Ranch from Circle G Ranches.
- Note her highly unique DNA profile.

Reference Sires

GAR ORACLE

17842314

**SIRE: GAR PROPHET
DAM: GAR 28 AMBUSH N340**

**CED +8 BW +1.4 WW +55 YW +106 Milk +29
CW +43 MARB +1.34 RE +.79 FAT +0
\$W +59.25 \$F +68.56 \$G +59.95 \$B +159.42**

- We purchased GAR Oracle from Gardiner Angus Ranch due to the fact that he combined a pedigree full of proven sires and dams with personal performance and structural soundness that was outstanding in every regard. During the first breeding season, Oracle was used at Daltons on the Sycamore, Gardiner Angus and Peterson Angus.
- The early results are very encouraging. At Daltons on the Sycamore, his early progeny were standouts for growth, style, DNA and EPDs.

44 MILLENNIAL 61

\$W +77.72 \$F +104.10 \$G +54.82 \$B +188.29**

- 44 Millennial was added in 2017 from 44 Farms. Millennial combines a phenotype and structure we really like, with scans of 8.82% for IMF and 16.1" for REA with an impressive 1.20 REA/CWT. Also, Millennial has a DNA profile that reinforces his actual performance along the way.
- Millennial is an outcross to most of our herd and we used him extensively during the fall 2017 breeding season. Our fall 2018 calf crop will include a significant number of Millennial progeny and we look forward to seeing them compete against a top notch contemporary group.

- GAR Quantum was acquired as a feature in the 2018 Gardiner Angus Ranch April Production Sale. A true power bull with an exceptional phenotype, Quantum excels for nearly all of the traits we desire. He is a bull capable of siring calving-ease, rapid growth, docility, fertility, abundant muscle and spectacular end-product merit. The Connealy In Sure daughters out of GAR Complete 3011 built a legacy at Gardiner Angus Ranch and Quantum has the potential to carry that lineage to new heights.
